Credit Hours: These courses have been approved by the North Carolina State Board of Examiners of Plumbing, Heating & Fire Sprinkler Contractors for continuing education credit toward license renewal in the amount of 6 hours. These courses are not sponsored by the Board.

IMPORTANT: The above statement "These courses are not sponsored by the Board" only means that the Board does not provide funding for these classes. These classes ARE approved continuing education classes, and FS, IA, IC licensees will get two (2) CE credit hours for NC renewal for each 2 hour section attended (maximum 6 hours per day). NICET credit up to eight (8) CPDs per day.

All licensees are reminded that North Carolina does not allow CE credit for any course repeated in the current or two previous calendar years. It is incumbent upon the licensee to keep track of this, and you can check your CE credits by going to the Board's website at www.nclicensing.org

Anyone arriving more than 10 minutes late will not be admitted.
